

# 24202794 - Tandem M6x25 SS304 Couplers kit

## Product data

|                        |   |
|------------------------|---|
| Product code:          | 24202794                                      |
| Brand:                 | Niedax Group                                  |
| Series:                | Gouda Wire Mesh                               |
| Type:                  | Tandem  |
| EAN Code:              | 08719972001756                                |
| Technical description: | Tandem M6x25 SS304 Couplers kit               |
| ETIM class:            | EC002413 - Connector for cable support system |

## Technical data

|   |                 |
|---|-----------------|
| Model:                                    | Corner joint    |
| Type of connection:                       | Screw connector |
| RAL-number:                               | -               |
| Surface protection:                       | Other           |
| Material quality:                         | Other           |
| Length:                                   | 30              |
| Material:                                 | Stainless steel |
| Suitable for wire mesh tray:              | Yes             |
| Suitable for wire mesh tray filament:     | 3.82 - 4.82     |
| Suitable for cable ladder:                | No              |
| Suitable for cable tray:                  | No              |
| Stainless steel, pickled:                 | No              |
| Hinged joint horizontal:                  | No              |
| Hinged joint vertical:                    | No              |
| Suitable for circuit integrity:           | No              |
| Suitable for cable support system width:  | 50 - 600        |
| Operating temperature:                    | -20 - 120       |
| Suitable for cable support system height: | 30 - 110        |
