

# 26200236 - SLB MK 30.75 SS316 Branch Tee

## Product data

|                        |  |
|------------------------|--|
| Product code:          | 26200236                               |
| Brand:                 | Niedax Group                           |
| Series:                | Gouda Marine ladders                   |
| Type:                  | SLB                                    |
| EAN Code:              | 08719972005068                         |
| Technical description: | SLB MK 30.75 SS316 Branch Tee          |
| ETIM class:            | EC001010 - Add-on tee for cable ladder |

## Technical data

|                                   |                              |
|-----------------------------------|------------------------------|
| Model:                            | Without connector            |
| RAL-number:                       | -                            |
| Surface protection:               | Pickled and passivated       |
| Type of rung:                     | Flat profile                 |
| Material quality:                 | Stainless steel 316 (1.4401) |
| Material:                         | Stainless steel              |
| Inner radius:                     | 100                          |
| Cable ladder branch width:        | 75                           |
| Suitable for cable ladder height: | 30                           |
| Type of side joist:               | Flat profile                 |
| Suitable for circuit integrity:   | No                           |
| Working temperature:              | -20 - 120                    |
