

## 31107142 - Tray ZPR 28.300 PG Cable tray L3m

## **Product data**

| Product code:          | 31107142                          |
|------------------------|-----------------------------------|
| Brand:                 | Niedax Group                      |
| Series:                | Gouda Cable duct                  |
| Туре:                  | Tray                              |
| EAN Code:              | 08719972009714                    |
| Technical description: | Tray ZPR 28.300 PG Cable tray L3m |
| ETIM class:            | EC000047 - Cable tray             |
|                        |                                   |

## **Technical data**

| Width:                          | 300                     |
|---------------------------------|-------------------------|
| Model:                          | Without connector       |
| Height:                         | 28                      |
| RAL-number:                     |                         |
| Surface protection:             | Continuously galvanised |
| Weight:                         |                         |
| Material thickness:             | 1                       |
| Side perforation:               | No                      |
| Material quality:               | Other                   |
| Length:                         | 3000                    |
| Material:                       | Steel                   |
| Bottom perforation:             | No                      |
| Usable cross section:           | 6854                    |
| NATO-mounting holes:            | No                      |
| Suitable for circuit integrity: | No                      |

| With cover:   | No        |
|---|-----------|
| Working length:   | 3000      |
| Type of connector:  | Screwed   |
| Operating temperature:  | -20 - 120 |
| Possible support spacing:   | 3         |
| Safe working load according to IEC 61537 with support spacing 0.5 m:  | -         |
| Safe working load according to IEC 61537 with support spacing 2.0 m:  | 250       |
| Safe working load according to IEC 61537 with support spacing 3.0 m:  | 50        |
| Safe working load according to IEC 61537 with support spacing 4.0 m:  | -         |
| Safe working load according to IEC 61537 with support spacing 5.0 m:  | -         |
| Safe working load according to IEC 61537 with support spacing 1.0 m:  | 600       |
| Safe working load according to IEC 61537 with support spacing 1.5 m:  | 410       |
| Safe working load according to IEC 61537 with support spacing 2.5 m:  | 160       |
| Safe working load according to IEC 61537 with support spacing 6.0 m:  | -         |
| Safe working load according to IEC 61537 with support spacing 7.0 m:  | -         |
| Safe working load according to IEC 61537 with support spacing 8.0 m:  | -         |
| Safe working load according to IEC 61537 with support spacing 10.0 m: | -         |
| Safe working load according to IEC 61537 with support spacing 9.0 m:  | -         |
| Safe working load according to IEC 61537 with support spacing 11.0 m: | -         |
| Safe working load according to IEC 61537 with support spacing 12.0 m: | -         |
|   |           |
