

## 31206152 - Tray 28.250-300 PG Straight reducer

### Product data

|                        |                                          |
|------------------------|------------------------------------------|
| Product code:          | 31206152                                 |
| Brand:                 | Niedax Group                             |
| Series:                | Gouda Cable duct                         |
| Type:                  | Tray                                     |
| EAN Code:              | 08719972010963                           |
| Technical description: | Tray 28.250-300 PG Straight reducer      |
| ETIM class:            | EC001007 - Reducing piece for cable tray |

### Technical data

|                                 |                         |
|---------------------------------|-------------------------|
| Model:                          | Integrated connector    |
| RAL-number:                     | -                       |
| Surface protection:             | Continuously galvanised |
| Construction type:              | Reducing symmetrical    |
| Material quality:               | Other                   |
| Width (big):                    | 300                     |
| Width (small):                  | 250                     |
| Material:                       | Steel                   |
| Suitable for cable tray height: | 28                      |
| Stainless steel, pickled:       | -                       |
| Suitable for circuit integrity: | No                      |
| Operating temperature:          | -20 - 120               |
