

## 31370158 - Tray 28.75-250 C unegual T-piece

### Product data

|                        |                                  |
|------------------------|----------------------------------|
| Product code:          | 31370158                         |
| Brand:                 | Niedax Group                     |
| Series:                | Gouda Cable duct                 |
| Type:                  | Tray                             |
| EAN Code:              | 08719972014008                   |
| Technical description: | Tray 28.75-250 C unegual T-piece |
| ETIM class:            | EC001544 - Tee for cable tray    |

### Technical data

|                                 |                                    |
|---------------------------------|------------------------------------|
| Working temperature:            | -20 - 120                          |
| Colour:                         | Other                              |
| Model:                          | Integrated connector               |
| RAL-number:                     | -                                  |
| Surface protection:             | Continuously galvanised and coated |
| Construction type:              | T-piece horizontal                 |
| Material quality:               | Other                              |
| Material:                       | Steel                              |
| Inner radius:                   | 60                                 |
| Suitable for cable tray width:  | 75.25                              |
| Suitable for cable tray height: | 28                                 |
| NATO-mounting holes:            | No                                 |
| Stainless steel, pickled:       | -                                  |
| Suitable for circuit integrity: | No                                 |
