| Technical description: | Crafty MF 100.300 AL Cable Ladder c.t.c.300 L3m |
| ETIM class:            | EC000854 - Cable ladder                         |

### Technical data

|                                 |                    |
|---------------------------------|--------------------|
| Colour:                         | Aluminium          |
| Width:                          | 300                |
| Height:                         | 100                |
| RAL-number:                     | -                  |
| Surface protection:             | Other              |
| Weight:                         | -                  |
| Type of rung:                   | Perforated profile |
| Side perforation:               | Yes                |
| Material quality:               | Other              |
| Length:                         | 3000               |
| Material:                       | Aluminium          |
| Useful cross section:           | -                  |
| Type of side joist:             | Profile (open)     |
| Suitable for circuit integrity: | No                 |

|                           |        |
|---------------------------|--------|
| Rung centre spacing:      | 300    |
| Fixation rung:            | Welded |
| Operating temperature:    | -      |
| Possible support spacing: | -      |
