

## 98027204 - GS Channel 21x41 SS304 L6m

### Product data

|                        |                                   |
|------------------------|-----------------------------------|
| Product code:          | 98027204                          |
| Brand:                 | Niedax Group                      |
| Series:                | Gouda Strut                       |
| Type:                  | GS                                |
| EAN Code:              | 08719972140257                    |
| Technical description: | GS Channel 21x41 SS304 L6m        |
| ETIM class:            | EC000386 - Mounting rail/-profile |

### Technical data

|                        |                  |
|------------------------|------------------|
| Width:                 | 41               |
| Model:                 | Singular profile |
| Height:                | 21               |
| RAL-number:            | -                |
| Surface protection:    | Other            |
| Weight:                | -                |
| Material thickness:    | 2.5              |
| With tothing:          | No               |
| Material quality:      | Other            |
| Length:                | 6000             |
| Material:              | Stainless steel  |
| Load bearing capacity: | -                |
| Type of perforation:   | Back perforated  |
| Profile shape:         | C-profile        |
| Slit width:            | 22               |

|                                     |    |
|-------------------------------------|----|
| Hole width:                         | 14 |
| Snap-off:                           | No |
| Suitable for circuit integrity:     | No |
| Layer thickness surface protection: | -  |
| Moment of resistance Wz:            | -  |
| Area moment of inertia Iy:          | -  |
| Area of inertia Iz:                 | -  |
| Moment of resistance Wy:            | -  |
